Description

COD 5646 Dutch display cabinet from the mid-20th century. A beautifully crafted, curved front, walnut, burl, and beech veneer showcase, it features a beautiful design and attractive furnishings. The double-body display cabinet has three drawers at the bottom, while the upper body features a large door complete with a working key.The cabinet offers three fixed shelves and a convenient base, making it ideal for displaying collections of objects. The display cabinet is supported at the front by two feet, and the cymatium is adorned with a central floral frieze (see photo). A small glass recessed into the door (top left corner) has a crack and needs to be replaced. The cabinet is structurally sound and in overall good condition.As each of our products it will be accompanied by a certificate of
