

Minimalist Black Metal Fire Ensemble "mace-line" By Ann Maes - 1970s

575 EUR

Signature : Ann Maes

Period : 20th century

Condition : Bon état

Material : Metal

Width : 16

Height : 67

Depth : 27.5

Description

Minimalist and modern fire set. Dimensions: 16 x 27.5 cm, Height: 67 cm. This minimalist black metal fire set is a superb Dutch creation by Ann Maes dating from 1977. We consider it one of the most beautiful modern fire sets ever made. The metal structure holds four tools: a blowpipe, a brush, a poker, and tongs. This fire set is in very good vintage condition.
