

Chippendale Library, England, Late 18th Century

16 000 EUR

Period : 18th century

Condition : Bon état

Material : Painted wood

Width : 340

Height : 249

Depth : 47

Description

Large Chippendale bookcase comprising a lower section with six doors and a central scroll, and a matching glazed upper section with six doors. The glazed doors feature exquisite geometric joinery, and the interior offers height-adjustable shelves. The gray-white painted finish is recent and complemented by an antique patina.
