Description

Refined and unique pair of carriage lamps in brass and glass. These lamps can be easily wall-mounted and feature a typical shape with a molded top and a door that opens via a small gear. A lamp can be inserted inside, as they are electrified. This pair of lamps was originally placed on carriages to provide illumination. This pair exudes great taste and refinement, adding a touch of class and antique style to any setting. Italian craftsmanship from the late 19th century. Dimensions: H x W x D 96 x 34 x 33cm
