Description

Flemish School, circa 1630. Adoration of the Magi, 17th-century religious painting. Painted on copper. Probable earlier retouching on green voile. Dimensions of the copper plate: 22 x 17 cm. One of the most popular subjects at this time for family devotional paintings was the Nativity; and the Adoration of the Magi, perhaps because this story inspired dreams, occupied an important place in commissions. Good condition. Free delivery within France; quote available for other destinations. Contact me at +33 6 78 87 61 61
