Height : 72

Description

Chair model OZOO 700, in white lacquered fiberglass, designed by Marc Berthier for Roche & Bobois, dating from the late 1960s/early 1970s. Its design reflects a futuristic, Space Age aesthetic. In good condition, however, there are micro-crackings in the white lacquer in two tiny spots. This model is part of the design collection at the Centre Pompidou (Beaubourg).
