### Description

Pair of "Totem" armchairs, designed by Torstein Nilsen, manufactured by Westnofa, Norway, 1980s. These armchairs are made of black lacquered wood and feature a tripod base with a wide rear leg that extends into a fan-shaped backrest composed of several slats joined by blue lacquered balls. The front legs extend into rounded armrests that attach to the fan-shaped backrest. In good condition, however, there are some small scratches behind the rear leg of one of the armchairs, a small scratch on one of the armrests, and some minor discoloration on the seat upholstery.
