Late 19th Century Pair Of Balauster China Vases

650 EUR

Period : 20th century

Condition : Bon état

Material : Porcelain

Diameter : 23

Height : 30

Description

Refined pair of baluster-shaped onion-colored porcelain vases. The vases feature an ovoid body and an everted rim. Their refinement lies in the floral decoration, with bunches of flowers, while the bottom features a geometric pattern. This pair exudes great taste and refinement, adding a touch of elegance and class to any setting. Chinese manufacture from the late 19th century.
Dimensions: H x D 30 x 23cm
