Engraved Plexiglass Cross Pendant, Central Flower In Gilded Metal And Red Glass - 20th Century

95 EUR

Period : 20th century

Condition : Très bon état

Width : 45mm

Height : 68mm

Description

An elegant cross pendant crafted from finely engraved, transparent plexiglass, featuring a geometric design punctuated by small circular motifs. The center is adorned with a stylized flower in gilded metal, cradling a translucent red glass cabochon, creating a warm and luminous contrast. This piece is distinguished by its unique aesthetic, blending traditional religious iconography with the use of modern materials, characteristic of mid-20th-century jewelry design. Dimensions: - Height: 68 mm - Width: 45 mm Condition: Very good overall condition. Plexiglass well preserved, without any noticeable chips. Metal flower and glass cabochon in good condition, with a light patina consistent with age. Period: Mid-20th century. As color rendering is more accurate in video, we can send you a
