Description

Description: An exceptional set of three iconic Kinetic Art (Op Art) works by the master Victor Vasarely. This triptych creates a powerful wall installation, playing with perspective and depth.

The Artwork: Authentic vintage prints from the 1970s/80s, from the renowned Éditions du Griffon (Neuchâtel, Switzerland). These are high-quality period prints (heliogravures), not modern digital reproductions. The colors are vibrant and perfectly preserved. The Framing:

The three pieces are presented in identical new frames (40 x 40 cm), matte black, with custom-made mats. The unity of the set guarantees a professional finish and immediate installation. Why buy it? Ideal for a designer, vintage Scandinavian, or modern interior. A triptych is a highly sought-after "turnkey"
