Description

Vintage sideboard purchased in 1958 by its previous owners from a Parisian decorator and attributed to Gerard Guermonprez. Its style and design are similar to the famous "Monaco" model, with a difference in the opening mechanism. The structure is made of period-varnished teak veneer (a few minor scratches have only affected the varnish without impacting the wood). There are no missing pieces or even partial peeling of the veneer. The sideboard is supported by a base of welded rectangular tubes, lacquered in period-correct black. It offers ample storage space. The piece is fully demountable for easy transport and access up stairs. Dimensions: Length 210 cm, Depth 52 cm, Height 86 cm. Packaging: Item carefully packaged. Delivery: Collection in Nevers.
