

Carved Amethyst Brush Pot On A Wooden Base, China, Early 20th Century.

320 EUR

Period : 20th century

Condition : Bon état

Diameter : 9cm

Height : 13cm

Description

This exquisite amethyst brush pot, dating from the early 20th century, is a refined testament to the taste of Chinese scholars. Carved in relief with elegant floral motifs, it highlights the lavender hues and natural inclusions of the stone. The object measures 10 cm in height (13 cm with its finely carved wooden base). This piece perfectly illustrates the artistic transition between the imperial tradition and the craftsmanship of the early Republican era.
