### Description

School project, preparation for a cabinet making master's degree, 18th or 19th century: miniature of one of those large Renaissance chests found on both banks of the Rhine , 17th century. (see last photo), Rhineland-Belgium-France... Entirely constructed from pine wood, dovetailed, molded, and chiseled, the front features two arches, hinges, handles, a lock, and a key, all cut from wrought iron. Many hours of work went into just 15 centimeters. Very good condition, everything works, two moldings are missing from one foot. Buy it now, payable by credit card or PayPal. - eclectic - We are not experts, but we have been in the trade for over 50 years. Hassle-free refund if you are not satisfied.
