

Saint Anne Reading, 19th Century Glass Eglomisé

230 EUR

Period : 19th century

Condition : Etat d'usage

Description

Eglomisé glass engraving "Saint Anne Reading," stencil illuminations, pitch pine frame, circa 1830. Frame 35.5 cm x 30 cm > two or three small losses indicated by the arrows, see photo for detail. The back is original and has not been removed from the frame; it could benefit from one or two additional tacks to securely fix the glass to the frame. Otherwise, it is in excellent condition, with beautiful depth of color; the bubbly glass is very pleasing. Price is firm. Payment by check or bank transfer. Shipping costs EUR15 via Colissimo registered mail or Mondial Relay for France; for other countries, please contact me.
