Description

Important porcelain vase with floral decoration - Asian style - 20th century. Superb porcelain vase finely decorated with polychrome floral motifs (flowers, foliage, and branches) in rich and elegant colors. Very high quality of workmanship, with a delicate and harmonious design on a white background. The baluster shape and flared opening give it a refined and timeless look. Ideal for classic, Asian, or eclectic decor, as a centerpiece on a piece of furniture, a console table, or in a display case. Dimensions: Height: 43 cm Width: 19 cm Condition: Very good overall condition. A decorative object of character, perfect for lovers of fine porcelain and elegant pieces.
