Description

Beautiful embroidery originating from Iraq. Often, this type of piece is referred to as a Mesopotamian wedding blanket. It certainly sounds rather nice! Let's be honest and understated; it's best. This is a truly beautiful piece of embroidery. The entire surface is embroidered. Magnificent, very bright and shimmering colors. 1970s. Perfect condition. The item is highly decorative, ideal for wall art or for hanging on a sofa, bed, etc. Dimensions: 235 x 72 cm. Laurent Beauty of Kilims
