Description
-------------

Art Deco Period Ceiling Light in Patinated Brass and Opal Glass ? A soft light, inherited from Art Deco ? This authentic Art Deco period ceiling light embodies the understated elegance of 1920s-1930s interiors. Its balanced shape and discreet presence recall an era when light was considered an integral part of architecture. ? The patinated brass, marked by time, reveals a beautiful depth of color, while the opaline glass globe diffuses a soft, even, and warm light, ideal for creating an intimate and refined atmosphere. ? Perfectly proportioned, this ceiling light finds its place naturally in an entryway, hallway, bedroom, or small living room, especially in interiors with low ceilings, without ever losing character. ? Key Features o ? Authentic Art Deco period ceiling light o ? Patinated brass structure with a beautiful
