Description

Pair of carved wooden fruit clusters in high relief, polychrome and gilt, in the Louis XIV style, 18th century, mounted as lamps on black-painted iron bases. These timeless lamps will find their place in both classic and contemporary interiors, on a chest of drawers, at the end of a sofa, or as bedside lamps. They are fitted with square black fabric shades with gilt interiors, giving off a warm light. Good condition. We ship worldwide; please contact us for a precise shipping quote.
