

Arts And Crafts Brass Table Lamp, Paper Lampshade, Circa 1900

350 EUR

Period : 20th century

Condition : Etat d'usage

Material : Brass

Description

A 1900s English desk lamp, attributed to Faraday and Sons, made of solid brass with a paper shade. The shade is adjustable, the heavy-duty paper has been recently replaced, and the lamp is functional, but the electrical cord is in poor condition and needs attention. It shows signs of age and use. Height 50cm, Shade diameter 16.5cm (maximum)
