Description

Music on horseback, Spanish tiles. The leafy frame is enhanced with an acorn leaf. It depicts two gentlemen on horseback: one dark-haired and one fair-skinned. The one on the left wears a black and yellow hat. This same yellow is found on his cuff and sleeve, as well as his reins and stirrups. It contrasts with the relaxed appearance of the young man with the feather, wearing an orange hat, trousers, and saddle blanket. This natural setting offers a high-quality pictorial layer, both modern and understated. Delivery is possible but not included in the price.
