Description

Pair of Bien Hoa ceramic pedestals depicting a pair of elephants. A very beautiful pair in excellent condition, completely unrestored and in their original, pristine state. Bien Hoa was a renowned center of talent thanks to its school and factory, which brought together Vietnamese and Western artists. This is a truly rare pair that has remained together for nearly a century. Majestic dimensions: 59 cm high. Beautiful colors in shades of green and gold lend a highly decorative character and refined elegance to this set.
