

## 1960s Design Lamp

290 EUR

Signature : Philippe Barbier

Period : 20th century

Condition : Parfait état

Material : Alloy

Diameter : 16,5

Height : 47

### Description

A 1960s designer lamp in lacquered aluminum by Philippe Barbier. The base is made of several parts, is of good quality, and works perfectly. It has its original plug. Its attractive, neutral presence complements both antique and contemporary decor. Sold without a lampshade; a straight, slightly tall, cylindrical lampshade would be ideal for this type of lamp base. The lacquer on the base is a light off-white.
