Description

Magnificent Baccarat crystal vanity set, Malmaison pattern. Flat-ribbed design. Comprising three bottles and a powder compact. Bottle heights: 18 cm, 16 cm, 14 cm. Powder compact height: 7 cm and diameter approximately 8.5 cm. This set is in beautiful condition. I should mention a tiny chip above the lid of the powder compact; it is minimal and magnified in the last photo. The crystal is clear and very brilliant, with original stoppers and a Baccarat hallmark on each piece. This pattern remains highly sought after, and the powder compact is rare, especially in this size. See the shop
