Description

Ceramic sculpture from La Borne, dating from the 1950s or 60s. A very pretty anthropomorphic piece depicting a young woman in a long, openwork dress, designed to hold a candle and create a soft, beautifully reflective light thanks to the characteristic glaze of this renowned manufacturer. A highly decorative piece in excellent condition, it is also a fine collector's item. Shipping available within France and worldwide via secure, insured package with order tracking. Invoice and certificate provided.

Collection is possible in person at Mas d'Avalrich, Montéscot 66200 (Tel: +33 6 11 14 25 33) or at my stand at the Montpellier Cipolat flea market, held every two months.
