

## Antique White And Gold Porcelain Coffee Service - Empire Style - Early 19th Century

380 EUR

Period : 19th century

Condition : Bon état

Material : Porcelain

### Description

Antique white porcelain tea set, finely decorated with gold, comprising: 1 coffee pot, 1 sugar bowl with lid, 1 milk jug, 2 cups and saucers. The gilt decoration features foliage motifs, palmettes, and friezes in a neoclassical style, typical of the Empire/First Empire period. The shapes (baluster feet, scroll handles, button-shaped lid finial) and the alternating matte and glossy gilding suggest an early 19th-century production (circa 1800-1820). The sugar bowl lid has undergone an earlier restoration, visible in the photographs (old stabilization, well integrated). Signs of wear consistent with age (slight wear to the base). 2.7 kg
