An elegant pastel portrait depicting a young woman dressed in 18th-century fashion, her hair adorned with a delicate blue ribbon tied around her neck. The refined treatment of the flesh tones, the subtlety of the gaze, and the delicate gradations of color reflect a confident hand and great pictorial sensitivity. The work is signed and dated "C. Caffieri f. 1769" in the lower right corner. It is presented in its original giltwood frame, period or slightly later. A characteristic example of French portraiture from the second half of the 18th century, combining elegance, softness, and refinement. Condition: Good overall condition considering its age.
