# Corner Cabinet, Late 18th Century, Louis XVI Period

680 EUR

Period : 18th century

Condition : Bon état

Material : Wood marquetry

## Description

Corner cabinet with marquetry front, dating from the very late 18th century. It retains its original marble top. In good condition. I note a repair to the rear foot and a slight gap between the door and the body of the cabinet when the door is closed. Dimensions:
