### Description

A mahogany Art Deco sideboard, featuring beautiful curved lines typical of the 1930s. The piece is richly decorated with floral carvings and elegant motifs on the front. It is topped with a superb veined gray marble slab in good condition. It has three doors offering ample interior storage space with shelves. The handles and decorative elements are original, adding considerable character to the piece. A robust and stable piece, with a beautiful patina that gives it all its charm. Some signs of wear are normal for its age (see photos), without detracting from its aesthetic appeal or sturdiness. Dimensions: Height: 107 cm, Depth: 52 cm, Width: 170 cm. Ideal for a living room, dining room, or entryway, in both classic and contemporary interiors for a touch of vintage chic.
