

Electrified Brass Oil Lamp - 1920

Description

Large electrified oil lamp, made of solid brass around 1920. Its openwork stem is adorned with lion heads and rings on the sides. This finely crafted lamp, decorated with scrolls and foliage, testifies to the artisanal skill of the period, while its frosted glass globe, adorned with delicate spiral motifs, diffuses a soft and warm light. Fully electrified and in perfect working order for modern use, it combines antique charm with today's comfort. This unique piece fits perfectly into a vintage-style decor and will delight lovers of authenticity and refinement. *****Period: 1920 Excellent condition. Electrified and operational. Delivery available in France and internationally. Dimensions: Diameter: 21 cm Height: 70 cm Reference: 230625
