

## French Napoleonic Mameluke Flintlock Pistol

1 950 EUR

Period : 19th century

Condition : Bon état

### Description

French First Empire Mameluke officers pistol. Walnut stock with hexagonal butt, grip showing the classic mameluke curve designed to tuck into the users sash. Lock has a good crisp action and shows a manufactures mark of "Mre Imp de St Etienne". Hexagonal style barrel with crown engraving to the breech. A very rare pistol.
