### Description

If you are looking for a piece that embodies the authentic and seductive essence of the late 19th century, this "Late 19th-century oil on paper the working-class woman" is an extraordinary acquisition opportunity. The painting captures the viewer's gaze with rare expressive power: the protagonist, depicted in simple attire yet imbued with noble dignity, emerges from the shadows, highlighting the delicacy of her bare shoulders and the sensuality of her long, flowing hair. With impressive dimensions of H. 70 x W. 60 cm, this work is not just a piece of art, but a decorative element capable of transforming the atmosphere of any room, bringing with it the breath of history and 19th-century pictorial tradition. The oil-on-paper technique gives the brushwork a unique softness, preserved in excellent overall
