Description

Allow yourself to be captured by the profound spirituality and poignant beauty of this exceptional work: a "Late 19th-century oil on panel Mary Magdalene". This painting is not merely an art object, but a window into an era where faith and artistic expression fused in harmony, creating masterpieces with a strong emotional impact. The work depicts Saint Mary Magdalene, an emblematic figure of devotion and repentance, with a delicate halo emphasizing her sanctity. Her gaze, directed toward heaven with an intense sense of hope and humility, invites contemplation and reflection, making this painting a focal point of serenity and inspiration in any setting. Created on a wooden panel in the late 1800s, it measures H. 70 x W. 60 cm, ideal dimensions to showcase every detail. The piece is
