Description

If you wish to infuse your surroundings with the timeless charm of Tuscan nobility, this "Late 19th-century painted wardrobe Florence" is the piece you have been searching for. This sumptuous two-door wardrobe-pantry is not just furniture, but a true work of art that tells the story of Florentine craftsmanship from the second half of the 1800s. Externally, the cabinet enchants with refined flower bouquets blooming across the doors and sides, embellished with delicate gold details that catch the light. Upon opening the doors, you are greeted by an interior painted in a relaxing sage green, a color choice typical of the period's taste, complete with practical shelves and convenient drawers at the base. With imposing dimensions (H. 207 x W. 192 x D. 57 cm) and featuring its original period hardware, this
