Description

Imagine illuminating your spaces with a piece of Italian design history, an icon of style and innovation. This "Rationalist marble floor lamp 1930" is not just a light source, but a functional sculpture, a testament to the rigorous elegance and refined aesthetics of the Rationalist movement.This floor lamp, entirely crafted from precious Carrara marble, features a double-disc base and a stem masterfully composed of multiple carved blocks. Every detail evokes the purity of form and functionality of 1930s design, making it a unique piece with a powerful visual impact. Originating from Central Italy, this 1930 specimen represents the pinnacle of an era of artistic and architectural experimentation.The lampshade, featuring original blueprints from a 20th-century architectural studio in Lucca,
