

Framed Pastel Portrait - Contemporary Psychedelic Art - Original Dated Artwork

150 EUR

Period : 20th century

Condition : Très bon état

Description

Stunning hand-painted pastel portrait, dated 2011, in a modern psychedelic style. The artist plays with intense colors, vibrant contrasts, and organic forms to create a work that is both expressive and hypnotic. This unique piece combines the traditional pastel technique with a contemporary aesthetic inspired by the dreamlike and colorful worlds of the 1970s, revisited with a modern touch. Ideal for an artistic, bohemian, or pop interior, it immediately catches the eye. ? ????
