### Description

This oak side table is distinguished by its sophisticated design and well-thought-out functionality: its octagonal top with raised edges ensures the stability of items placed on it. Four discreetly integrated side extensions beneath the top allow you to expand the usable surface as needed. Ideal for serving or as an extra surface. This side table features outward-sloping, flared legs, giving it a stable and elegant appearance. A mid-height stretcher shelf is framed by a border adorned with miniature balusters, adding a decorative touch while keeping items in place. This piece combines practicality and aesthetics, perfect for use as a side table or serving cart.
