Description

Elegant polychrome porcelain and gilded bronze lantern with four lights. The lantern features a square base, embellished with four cut glass panels engraved with floral and geometric decorations. Further enhancing the piece are polychrome porcelain partitions decorated with floral and geometric motifs in shades of pink, blue, and gold along the edges and corners. At the top, the lantern is topped with gilded bronze swirls and a porcelain flower stand, while the lights also feature bronze handles and flower-shaped porcelain bobèches. This is a lantern of great taste and refinement, capable of furnishing any space with
