

## Earthenware Inkwell - Late 18th, Early 19th Century

70 EUR

Period : 18th century

Condition : Restauré

Material : Earthenware

Width : 12 cm

### Description

Early 19th-century earthenware inkwell.  
Polychrome high-fire earthenware with three pen holes. The original pewter inkwell is attached.  
Decorated with a garland that encircles the inside.  
Sponge-painted top. Manufacturer unknown.  
Restored on the back (see photos). One crack remains. Note a loss of glaze on the left side due to poor glazing during production. Width 12 cm
