Description

This console table, dating from the early 19th century, embodies the refinement of Restoration period furniture. It is distinguished by its shimmering walnut veneer and its Belgian Sainte Anne grey marble top with a softened edge and rounded front corners. This piece of furniture features a concealed drawer in the frieze, which blends harmoniously into the overall design. The console table has gracefully curved, scrolled legs at the front, giving it a harmonious and balanced silhouette. Finally, the entire piece rests on a concave base, ensuring stability and sturdiness. It stands out as a choice decorative piece for lovers of antique furniture.*****Period: Early 19th century. Excellent condition after restoration in our cabinetmaking workshop. Waxed finish. Delivery possible in France and internationally
