Description

Nepalese rugs are distinguished by their slightly thicker weave and decidedly modern aesthetic. This rug perfectly illustrates this evolution, with a deep petrol blue background enlivened by yellow and white motifs representing sun stars and planets, creating a composition that is both poetic and luminous. While classic variations are traditionally inspired by the designs of antique Chinese rugs, this rug embraces a contemporary approach, where the motif becomes graphic and symbolic. Its solar theme evokes energy, movement, and cosmic harmony. The appearance of Nepalese rugs has been progressively adapted to meet the expectations of Western markets, favoring bold, decorative, and original designs. This solar rug thus brings a strong artistic touch, ideal for
