

Two-seater Bench - Scandinavian Design, 1960s

1 250 EUR

Period : 20th century

Condition : Bon état

Material : Teak

Length : 120

Width : 63

Height : 70

Description

Superb two-seater Scandinavian design bench, with clean and elegant lines, made of teak with its webbing in perfect condition, typical of the 1960s. Its solid wood frame with delicately curved armrests creates a harmonious and timeless look. The cushions, upholstered in a bright mustard yellow fabric, add warmth, character, and a striking decorative presence. A rare and refined piece, ideal for enhancing a living room, office, or reception area. Period: circa 1950-1960 Condition: very good condition
