Early 20th Century Pair Of English Stable Lanterns

1 000 EUR

Period : 20th century

Condition : Bon état

Material : Brass

Width : 21

Height : 57

Depth : 23

Description

Refined pair of stable lanterns, made of tin and green and gilded brass. The lanterns have a glass body, which opens with a small latch, allowing access to the internal bulb. They also feature a curved shade with gilded geometric and plant-like decorations. The back also features a hook for hanging them on the wall. This pair of lanterns exudes great taste and refinement, adding a touch of class and antique appeal to any space. English manufacture attributed to Colefax & Flower, circa the early 20th century.Dimensions: H x W x D 57 x 21 x 23cm
