Antique Napoleon III Vase In Polychrome Porcelain From Sevres, France, 19th Century.

3 800 EUR

Period : 19th century

Condition : Parfait état

Material : Porcelain

Description

Antique Napoleon III vase in polychrome Sèvres porcelain with gilded bronze inserts, dating to the second half of the 19th century. A monumental ceremonial vase with a lid surmounted by a pine cone-shaped handle, richly decorated with relief motifs and plant details. The symmetrical, sinuous side handles are crafted from expertly chased gilded bronze. The central body is broad and slightly rounded, featuring a large painted reserve depicting a romantic scene. The central scene is surrounded by an extremely elaborate gilded frame with leafy scrolls and interlacing motifs. Beneath the body is a quadrangular gilded base chased with a leafy motif. P.S. The vase has a central bronze pivot that allows it to rotate and divide into two parts. Condition: Excellent. Origin: France (1860/70) Measurements: Diameter 33cm.
