Description

Magnificent pair of vintage wall sconces from the 1960s/70s, Hollywood Regency Kinkeldey style. A very beautiful pair of substantial dimensions, 42 cm high, in excellent structural and electrical condition. Note the presence of seven lights per sconce, allowing for variable dimming; two bulbs are illuminated in the photos. The crystal panels are all in excellent condition and faceted. The soft, golden light is enhanced by the gilded brass fittings. These highly decorative and majestic pieces, due to their size and quality, make a striking statement.
