

## Silver Holy Water Sprinkler - France, 19th Century

450 EUR

Period : 19th century

Condition : Bon état

Material : Sterling silver

Height : 12,5 cm

### Description

Silver Holy Water Sprinkler - France, 19th Century. Beautiful liturgical sprinkler in solid silver, French work from the 19th century.

Description: Cylindrical model with slightly faceted sides, ending in a perforated spherical knob allowing the holy water to be sprinkled. The body is adorned with an applied cross in relief, with a trilobed design of Gothic inspiration, finely cut. Functional screw system, with the original threads well preserved. Solid silver, 950/1000 fineness - Hallmarks visible.

Dimensions: Height: 12.5 cm - Weight: approx. 50 g. Condition: Good overall condition. Normal signs of liturgical use: micro-scratches, slight localized oxidation visible on the knob. No deformation. Clean and functional threads. Authentic devotional object, intended for ritual
