

Rare Early Period Wrought Iron Fireplace Rack With Three Arms, Gothic Decoration

980 EUR

Period : 17th century

Condition : Parfait état

Material : Wrought iron

Length : 180 cm

Width : 65 cm

Description

A rare three-pronged fire rack, intended for a manor house or castle fireplace. It features a rare openwork interior decoration in Gothic orbevoie, forming a rosette typical of Gothic ironwork. Beautiful antique patina and an authentic piece.
