

18-carat White Gold Ring Set With A 2.20-carat Emerald And 2.20 Carats Of Diamonds

8 500 EUR

Period : 20th century

Condition : Parfait état

Material : Gold

Width : 18 mm

Description

18-karat white gold ring set with a 2.20-carat emerald of intense, deep, and perfectly saturated color. The stone offers beautiful transparency with fine, discreet inclusions. It is surrounded by 12 marquise and baguette-cut diamonds totaling 2.20 carats. Maker's mark: S. Stamped 750. Weight: 6.7 grams. Size: 56. Dimensions: 1.8 x 1.8 cm. Notes: A video of the ring being worn can be sent upon request. All 18-karat gold jewelry comes with a certificate of authenticity specifying the metal, stone, weight, size, and clarity, thus guaranteeing its exceptional quality.
