

## Curb Chain With An Antique Pattern Of Fine Pearls And Diamonds

1 200 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

### Description

Antique necklace consisting of a fine curb chain with a spring ring that holds a round motif at the front, adorned with half-pearls and featuring a floral motif at its center. The petals are set with rose-cut diamonds, and the center is a button pearl. Period: 20th century. Main material: 18k yellow gold (750/1000). Pearl diameter: approximately 4-4.5 mm. Motif diameter: approximately 12 mm, thickness: approximately 7 mm, chain width: approximately 1.5 mm, length: approximately 41 cm. Net weight: approximately 5.8 g. Antique jewelry - Early 20th-century work. Our opinion: A charming antique pendant with fine pearls that will sit perfectly on the décolletage and can be layered with other antique necklaces.
