Louis XIII style walnut buffet - 17th century.  
This solid walnut buffet boasts a beautiful antique patina. The front opens with two molded panel doors decorated with lozenges, typical of the Louis XIII style, revealing an interior fitted with shelves. The upper section comprises two drawers in the frieze, equipped with antique handles and keyhole escutcheons. The paneled sides, the thick solid wood top, and the straight legs attest to its traditional and robust construction.
