

## Turquoise And Cultured Pearl Earrings

1 000 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

### Description

For pierced ears. Stud earrings featuring a turquoise cut into a flower, with a round, pearly white orient centered at its heart. The clasp is a post with a butterfly back. The pearl earring can be removed from the turquoise flower to be worn alone. Main material: 18k yellow gold (750/1000). Pearl diameter: approximately 3.5/4 mm. Proportions: Height: approximately 14.7 mm, width: approximately 14 mm, thickness: approximately 5.5 mm. Net weight: approximately 2 g. Pre-owned turquoise pearl earrings - Very good condition - Worn very little - Fully checked and inspected - Sold with a certificate of authenticity. Our opinion: Modular pearl earrings, to be worn alone or with their turquoise center, which is of very high quality. To learn more See the product details for these
